Easy to Operate:

The *Speed-Timer 3000* uses a single CTRL key for all major functions (no on-off switch to fumble with). A ultra loud start signal can be heard even if you are double plugged, 599.9 second record time, unlimited shot counter, split times, and the last 84 shots fired remain in memory so the operator can review his or her shots as many times as they like. *Speed-Timer 3000* even shuts itself off automatically, a great battery

Air Soft, Air Gun and Paint Ball Fans.

The *Speed-Timer 3000* is now available for use with Air Powered Guns with all the same features as the Live Fire Timers but with the ability to pickup very low noise levels. Ideal for Air Gun Matches, IPSC with Air Guns or practice where the use of a Live Fire Gun is not an option.

Note: The *Speed-Timer 3000 Non (RF) AG* and *(RF) AG* are not
